About YCM

Mission

We want to love kids, tell them about Jesus and serve the Youth Workers and Volunteers who care for them in the Church.

We seek to:

- Present Jesus Christ to young people in such a way that they can make a non-pressured decision for Him
- Nurture Christian kids in their walks with Jesus Christ
- Equip & train youth workers to be more professionally competent in their calling
- Strengthen and serve as a resource to the local church by providing a variety of high quality youth ministry programs and resources.

What We Believe

We believe that the Bible is the true Word from God, and that it can be trusted in all matters of life, and that we need to model our lives after its instruction. We believe in the Trinity of God, who is comprised of the fully equal Father, Son and Holy Spirit. We believe that all people, young and old, need salvation because we are all sinful and unrighteous. Jesus is the only way to get right with God, and by trusting Him, turning from our sins and receiving Him, we can have eternal life with God in heaven.

Youth Conference Ministries (YCM) is called to support and assist the local Church, Youth Pastors and Youth Leaders in leading and teaching young people to follow and trust in Jesus Christ.
